Remembrance Day 11 November
On Tuesday Stage 2 and Mr Phelps will lead the School’s Remembrance Day assembly while our School Captains will attend the Byron Community Remembrance Day at the Remembrance Gates and Byron Bay RSL.

Parents and Citizens Association
The monthly meeting of our P&C will be held next Thursday 13 November at 6.30pm in the staffroom. Child care is available, please contact the school office.

Instrumental Music Program 2015
If your child is interested in learning to play a musical instrument at school in 2015 contact the office. Our instrumental program provides students with an opportunity to learn to play a musical instrument and perform in a band. The band recital on 10 December at the Byron Community Centre will showcase the quality of our program.

Leaving Your Child at Home Alone
At some point it will be necessary to leave your child home alone for a short period of time. There is no actual law in Australia that states what age a child can be left alone, but parents are legally responsible for their child’s safety and wellbeing. You may be nervous the first few times (although most kids are excited about the independence) so making some clear ‘home alone’ rules with your child gives them an understanding of their boundaries and how to stay safe. Digital citizenship
We are the first generation of parents responsible for equipping our children with digital citizenship skills – how to use technology safely and responsibly, and how to evaluate, manage and use the information and tools they find online. Here are some tips to get you started: http://www.schoolatoz.nsw.edu.au/technology/using-technology/raising-good-digital-citizens

Life Education & Alpha Show
We currently have the Life Education Program running at school and in coming weeks will have the Alpha Show performing. These two programs are funded through the school contribution. Parents who have not paid the school contribution are required to pay $16 per student for their attendance. Please forward this payment to the office as soon as possible.

School of Life Project
The School of Life project will be filming at Byron Bay Public School in Week 6 of this term. It’s not too late sign up. Go to http://theschooloflifeproject.org/byronbay/sign-up/ or contact the school office for more details.

School Donations: Building A Better Foundation
The school has established two tax deductible funds to enable parents, relatives and friends the opportunity to make donations.

The Building Fund has provided financial support to complete our school hall renovations, install reverse cycle air-conditioning units in every classroom and construct classroom computer centres. During the next three years, the Building Fund will be used to improve playground facilities.

The Library Fund has provided reading materials for guided reading, home reading and the Reading Eggs technology program.

This fund will continue to expand reading resources and technology for literacy learning.

You can visit our website to download and complete a donor card. Your support is sincerely appreciated.

WHEN: Week 6 – To make “Wish Lists” in class library lessons

Week 7 – Monday 17 November. This is the only day to purchase

How: All students will bring home a “Wish List” in Week 6. This is

WHY: Reading and books have a positive and strong impact on a

child's educational achievement. You may also wish to purchase for

Christmas.

Our school receives commission on book sales for the day. This commission comes in the form of books which we

gather from scholastic book lists up to the value of the

commission. By purchasing from the Fair you are supporting the

school's library and helping to keep our stock up to date with

wonderful new titles.

WHO: All students/parents and community members are welcome to be part of this event. You can view books in Week 6 (wish list

week) then purchase wanted items on Tuesday 18th November. A flyer giving a small list of possible purchases will accompany the

week 6 newsletter.

Be Responsible - Keep it Clean

The topic for the next two weeks is “Keep it Clean”. This skill

reinforces the need to care for our school and the environment in

general. By being neat and tidy we are taking pride in ourselves

and our school. I hope you have some opportunities to discuss this

theme with your child/children. Thank you. Please remember that

feedback is always welcomed.

idea. Cost is $20 each or 3 for $50. Books are available from the

school office.

Library Helpers

Thank you to the wonderful group of parents and grandparents who

Congratulations Mia and Sophia!

We Need You!

Did you know that children in NSW public schools have a choice

between scripture, non-scene and ethics classes? We are

currently looking for more ethics teachers at Byron Bay Public

School for 2015 as the programme is becoming increasingly

popular and will now be available to the new Kinders.

Ethics classes are 30 minutes long, held once a week and teach

children how to think, not what to think. Teachers do not need prior

experience and will receive training and ongoing support.

If you have an interest in philosophy or ethics and enjoy engaging

with children, please contact Charlie Critchlow at

charliecritchlow@gmail.com to find out more or visit the website at

Year 6 Canberra Fundraising

Thank you to the parents who assisted with our last fundraising

event for this year’s Canberra excursion. The Car Boot Sale raised

$2,470, with a total of $10,500 being raised by the Year 6

Byron Big Hall Musical presents ‘Mary Poppins’

On Friday 28 November we are having a fantastic night at the school. The choirs

will be performing, along with some students from the school band. We will then be

watching Mary Poppins in the school hall. It’s such a great experience for the kids to

bring their doonas and pillows and lie back and watch a good old fashioned musical

with their friends. Our Crescendo Café will be

available or BYO picnic. Come and join

in the family fun. Tickets on sale from the

school office or on the night, $5 each or

$20 per family. Gates open 5pm.

P&C Place

Congratulations to the team of P&C fundraisers who have worked tirelessly over the past 2 years to raise funds to contribute to our new playground equipment. Last week the first of the structures, that the P&C have donated substantial funds towards were installed. The climbing pyramid has already become a fun place to be at lunch and recess. The new fixed equipment structure will be in place within the next two weeks, which will also be a fantastic asset to our school.

If you would like to find out more about the P&C or have any comments or suggestions we would love to hear from you. Our next meeting will be on Thursday 13 November at 6.30pm in the Staffroom or you can email us at anytime at byronbaypandc@gmail.com. Child care is provided for families attending the meeting. Please advise the office if you require childcare.
